# About Our Mission...

*A world where everyone has a decent place to live.*

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

## Our Goal...

To eliminate poverty housing and homelessness from the face of the earth by constructing simple, decent housing. All our words and actions are for the ultimate purpose of putting shelter on the hearts and minds of people in such a powerful way that poverty housing and homelessness become socially, politically and religiously unacceptable in our world.

**Building**

**For our Families**

Lisa Medley and 106 women from Putnam County worked to raise money and volunteer to build the 2017 Women Build home. Each of the 18 Teams committed to raising money to make Lisa's home a reality. In just 7 weeks, these ladies raised \$81,154!

*"Wow! Just wow! I can't believe how many people I've never met, raised money so that I could have a home. I've learned so much from Habitat and I'm so proud to be able to buy my own home." Lisa Medley*
